

# HOLLAND

Holland is a semi-aniline cowhide with pronounced heavy grain. The combination of waxy finish, thicker hides and heavy grain makes this product durable and sophisticated at the same time.

APPLICATIONS: Contract, Hospitality, Residential

---

## CLEANING INSTRUCTIONS:

---

All you need to maintain and clean this product is regular dusting. For stain removal and occasional cleaning please use water and mild soap. We recommend prompt cleaning of any soiled area. Please refrain from using commercial grade cleaning products as they may contain harsh chemical ingredients.
